
Koh Sri Chang

Posted by Clive - 2007/05/13 21:57

I have heard good things about Koh Sri Chang for taking day trips out there from Bangkok. Seems it is just a short drive to Sri Racha where the boat piers are and about only a 1.5 drive from Bangkok. Has anyone been there that can share some thoughts on it?

I saw this link and it looks interesting: <http://www.ko-sichang.com/index.html>
